Exemption from EPEAT & TCO Foreign Certifications for Make in India Products

To,
The Department Of Posts
Rajasthan Postal Circle

Confirmation of Exemption from EPEAT & TCO Foreign Certifications for Make in India Products - GEM/2026/B/7527034 Dated: 01-06-2026

Sir,

We, **M/s. GRAYEYE IT SYSTEMS PRIVATE LIMITED**, OEM for desktops, monitors, LED TVs, LFDs, and AIO products, confirm that *Make in India* products are exempted from certain foreign certifications, as per Bid No. GEM/2026/B/7527034 Dated: 01-06-2026

In line with the *Public Procurement (Preference to Make in India) Order, 2017* (PPP-MII Order) and subsequent Government notifications, the following certifications are not mandatory for *Make in India* products. where equivalent Indian standards and certifications are applicable.

This exemption is as per:

1. Government Order No. **33(3)2017-IPHW**, Ministry of Electronics & Information Technology (IPHW Division), dated 24-01-2018.
2. Government Order No. **P-45014/33/2021-BE-II (E-64737)**, Ministry of Commerce & Industry (DPIIT), dated 20-12-2022.

We further confirm that the offered products comply with **applicable Indian standards and equivalent certifications**, including **BIS certification for Desktop and Monitor products**, and relevant quality and testing standards such as **BIS / ISO/IEC 17021-1:2015** and **ISO/IEC 17025:2017**

Electronics Niketan, 6, CGO Complex
Lodhi Road, New Delhi – 110003

Dated: 24th January, 2018

OFFICE MEMORANDUM

Subject: Public Procurement (Preference to Make in India) Order 2017 – reg.

Government of India, vide Department of Industrial Policy and Promotion's Order No.P-45021/2/2017-B.E.-II dated 15.6.2017 (copy enclosed), has decided to provide preference to domestic manufacturers in procurement by Government entities and PSUs. In furtherance of the aforesaid Order, Ministry of Electronics & Information Technology has notified, ten (10) electronic products, which include Desktop and Laptop personal computers, vide Notification No.33(1)/2017-IPHW dated 14.09.2017 (copy enclosed).

2. DIPP Order dated 15.6.2017 provides that the procurement entities would ensure that the eligibility conditions do not result in unreasonable exclusion of local suppliers who would otherwise be eligible, beyond what is essential for ensuring quality or creditworthiness of the supplier.

3. Several representations have been received from manufacturers of laptops/desktops that the procuring entities have included conditions like Energy Star ratings and/or Electronic Product Environmental Assessment Tool (EPEAT) certification as eligibility conditions for suppliers of laptop/desktop which are not relevant to India and unduly favours multinational companies over Indian manufacturers.

4. In this regard, consultations were held with Bureau of Energy Efficiency (BEE), Bureau of Indian Standards (BIS) and Quality Council of India (QCI) and it was opined that procuring entities should not insist on Energy Star ratings and/or EPEAT Certification, as these are not relevant to India and adequate number of testing facilities are also not available in the country.

5. BEE has provided for performance rating of laptops/desktops, which may be prescribed by the procuring authority for compliance. Standards prescribed by BEE along with logo to be displayed by compliant manufacturer are given at Annexure 'A'. Similarly, in lieu of EPEAT certification, procurement entities may ask for compliance of Restrictions of Hazardous Substances (ROHS) and Extended Producers Responsibility (EPR) instructions issued by Ministry of Environment, Forest and Climate Change, Government of India vide e-Waste (Management) Rules, 2016, dated 23rd March 2016 and subsequent amendments on 30th October 2017.

6. All Ministries/ Departments are therefore requested to issue suitable instructions to procurement entities, including PSUs/ Statutory bodies/ Autonomous bodies under their administrative control, for strict compliance of the above instructions.

Udyog Bhawan, New Delhi
Dated December 20th, 2022

OFFICE MEMORANDUM

Subject: Common examples of "Restrictive and discriminatory conditions against the local suppliers" and "Other conditions which make the bid non-compliant to PPP-MII Order" – reg.

The undersigned is directed to state that repeated references are being received in this Department for alleged violation of Public Procurement (Preference to Make in India) Order, 2017 (PPP-MII Order). The subject matter was reviewed in the 14th Standing Committee meeting held on 20.09.2022 (copy of minutes enclosed) on implementation of PPP-MII Order and it was decided that:-

“DPIIT, DoE and GeM may jointly draft a common advisory to be issued to all Ministries/ Departments regarding nature of grievances commonly observed in the tendering process.”

2. Accordingly, DPIIT in consultation with Department of Expenditure and GeM has identified the “Common examples of restrictive and discriminatory conditions against the local suppliers” and “Other conditions which make the bid non-compliant to PPP-MII Order”, enclosed as Annexure “A”.

3. Is requested to kindly publicize above amongst all procuring agencies under your control and direct them to ensure that their tenders are compliant with PPP-MII Order and don't include restrictive and discriminatory conditions against the local suppliers.

4. This issues with the approval of competent authority

Encl: As Above

(Pritam/Kumar)

Under Secretary to the Government of India
Email: pritam.k@gov.in
Tel: 2306 1306

To:

All Ministries/ Departments concerned

Common examples of "Restrictive and discriminatory conditions against the local suppliers" and "Other conditions which make the bid non-compliant to PPP-MII Order"

1. Restrictive and discriminatory eligibility criteria/ Tender conditions

- a) Mandatory Presence in Gartner Magic Quadrant/ Forrester Wave/ IDC/ Frost and Sullivan/ or any other similar foreign body / magazine / rating agency's certification or review or validation in procurement of IT and Telecom Products.
- b) Mandatory USFDA / European CE or any other similar Foreign Certification without specifying any equivalent Indian Certification as alternative in procurement of Medical Devices.
- c) Mandatory UL / CSA Certification or any other similar Foreign Certification without specifying any equivalent Indian Certification as alternative in procurement of Electronic Devices.
- d) Excessive turnover requirement as a pre-qualifying criteria, not commensurate with financial capacity required for executing the contract i.e. much in excess of Estimated Bid Value.
- e) Excessive past experience requirement, not commensurate with the proven experience expected from bidder for successful execution of contract.
- f) Specific experience of supplying to other Nations being sought for e.g. export experience of G8 countries
- g) Additional requirement of Bank Guarantee for local supplier
- h) Delayed Payment Terms for local suppliers

2. Restrictive and discriminatory technical specifications - Foreign brands specified either for finished products or for part of scope of work / component of scope of supply such as:

- a) CISCO, NEC, Alcatel, Siemens being asked in Telecom Products
- b) HP, Dell, Lenovo being asked in IT products
- c) OTIS, Mitsubishi, Schindler, Kone, Johnson being asked in Lifts
- d) Siemens, Schneider, GE Power being asked in Electrical Equipment

3. Restrictive and discriminatory technical specifications - Pre-approved foreign brands in works/turnkey projects whereas local manufacturers not included in pre-approved list. Examples of pre-approved brands:-

- a) Cameras- Honeywell, Bosch, Pelco
- b) Network Switches- D-Link, Cisco, Brocade
- c) Axial Fan- Kruger, Nicotra, Greenhench

4. Restrictive discriminatory technical specifications - Foreign technical standards indicated in technical specification. Also, specification tailor made to suit foreign products like:-

- a) Minus 25-degree temperature compatibility for EPBX equipment being procured for airport in Central India
- b) Any other similar specification parameter being incorporate to eliminate MII products form competition without any recorded justification of requirement of that specification value for intended end use of the product / service.

5. Other conditions which make the bid non-compliant to PPP-MII Order

- a) Not incorporating suitable clause in the bid documents for giving purchase preference to Class-I local suppliers.
- b) Changing the minimum local content requirement for Class-I or Class-II local supplier without approval of competent authority.
- c) Stipulating in the bid document that the particular goods/ works / service category is exempted from the provisions of PPP-MII Order since concerned nodal ministry has not issued any notification for the same. It is clarified that provisions of PPP-MII Order applies on procurement of all categories of goods/ works / service, exceeding Rs. 5.0 Lakh in value. For the items, for which nodal Ministry has not issued any notification, default provisions of PPP-MII Order apply.
- d) Not evaluating bidders' status (viz. Class-I/ Class-II/ Non-local supplier) during bid evaluation process based upon documents submitted by bidders in their bid/ granting them rights/ privileges as defined in PPP-MII Order. Categorizing Class-II local supplier as MII bidder in bid evaluation process and giving them purchase preference is a very common mistake and need to be checked very diligently for proper implementation of the policy.

6. The above list is only indicative in nature.

Annex - 1

The guidelines for use of Standard Mark for Scheme-C are per 3(1) of BIS (Conformity Assessment) Regulations,2017 are given below:

- i) The monogram of the 'Standard Mark' consists of the pictorial representation, drawn in the exact style as indicated in the figure in the figure in Annexure I. Its photographic reduction and enlargement is permitted.
- ii)The 'Standard Mark' can be displayed in single colour or multi-colour as per the details given below. The colour scheme for the Standard Mark to be used in multi colour shall be use as indicated below.
- iii) The licensee shall display the 'Standard Mark' on the article and/or the packaging, as the case may be, in a manner so as to be easily visible. It shall be legible, indelible and non-removable. Further, the durability of marking shall be as per the provisions of the relevant Indian Standard, wherever applicable. The display of IS number, Registration number and words shall not be less than Arial font size 6.
- iv) Any device with a integrated display screen may present the Standard Mark electronically (e-labelling) in lieu of a physical presentation on the product.
